What's going on in EASTEM?

Dear EASTEM project members and friends,

Hope this finds you well. The purpose of this internal newsletter is to keep all of us updated on what other groups in the project are doing and inform colleagues about current events at our universities.

Has your university recently conducted or plans to conduct an activity that is relevant to the EASTEM project? You can email Miriam Tardell (miriam.tardell@uadm.uu.se) with any updates you wish to share with everyone.

Recent project activities

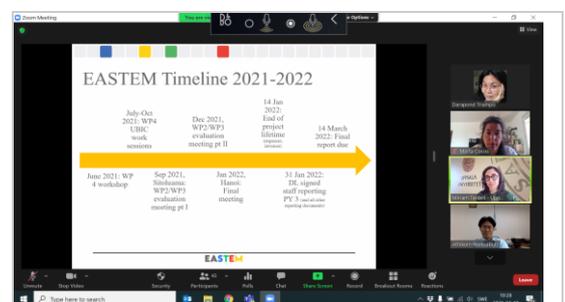

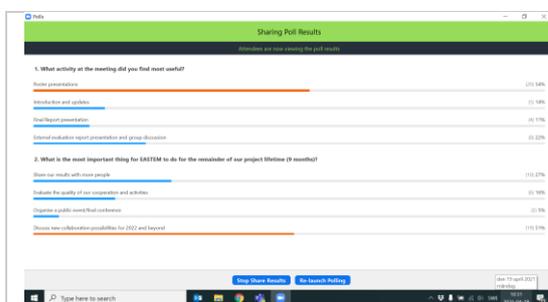

WP7: General Meeting 19 April

All EASTEM partners met and discussed the impact of our project at our universities through poster presentations. The EASTEM project has enabled partner universities to develop new staff training programmes and set up STEM centres and to implement STEM education in an integrated way. We also discussed the second report by our external evaluators EEAAT and started the preparations for our final report to the EU Commission. You can find all information related to this General Meeting on our [Google Drive](#).

Upcoming project meetings and activities

WP7: Staff reporting Project Year 2: If you have not yet done so, please send your draft staff reporting documents for project year 2 (Timesheets and corresponding Joint Declarations) to eastem@uadm.uu.se. When you have submitted finalised

signed documents you will receive the 4th funding transfer.

Upcoming meetings (more specific dates to be decided)

27 Sep-1 Oct 2021: WP2/WP3 evaluation meeting (pt I), Sitoluama IT DEL/virtual

6-10 Dec 2021: WP2/WP3 evaluation meeting (pt II), location TBD

10-14 Jan 2022: Final Meeting/Dissemination Meeting in Hanoi – To be discussed with associates MOET and VEIA.

Upcoming conferences of interest for EASTEM

These conferences provide opportunities for us to share our experiences and lessons learnt in EASTEM. Please feel free to contact EASTEM colleagues to co-author papers or ask for their advice on submitting a paper.

iSTEM-Ed 10-12 Nov (Pattaya, Thailand)

Deadline for papers: 5 June

<http://istem-ed.com/istem-ed2021/>

SEA-STEM Intl conference 23-25 Nov (PSU, Hat Yai, Thailand)

More information will follow.

You can stay up to date with interesting upcoming conferences and the deadlines to submit abstracts/papers by regularly checking in with [this list](#). Please do not hesitate to add to this list any upcoming conferences at your institution or other conferences that could be relevant for EASTEM. You can also email Marta Cocos (marta.cocos@uadm.uu.se.)

IMPORTANT: According to [EU funding visibility rules](#), we need to **mention in all written publications that our project is co-funded by the European Union**. We are also obliged to include in the publication **this disclaimer text in full**:

"The European Commission's support for the production of this publication does not constitute an endorsement of the contents, which reflect the views only of the authors, and the Commission cannot be held responsible for any use which may be made of the information contained therein."

Please make sure that the final versions of EASTEM publications from your university takes this into account.

Stay tuned for more information and keep up the great work everyone.

Best regards,

Miriam Tardell
Uppsala University
EASTEM Project Coordinator

You receive this newsletter because you have previously been involved in EASTEM project activities. If you would like to unsubscribe or add a colleague (or someone else who should know about EASTEM) to the sending list, please email:
