

22 January 2021

What's going on in EASTEM?

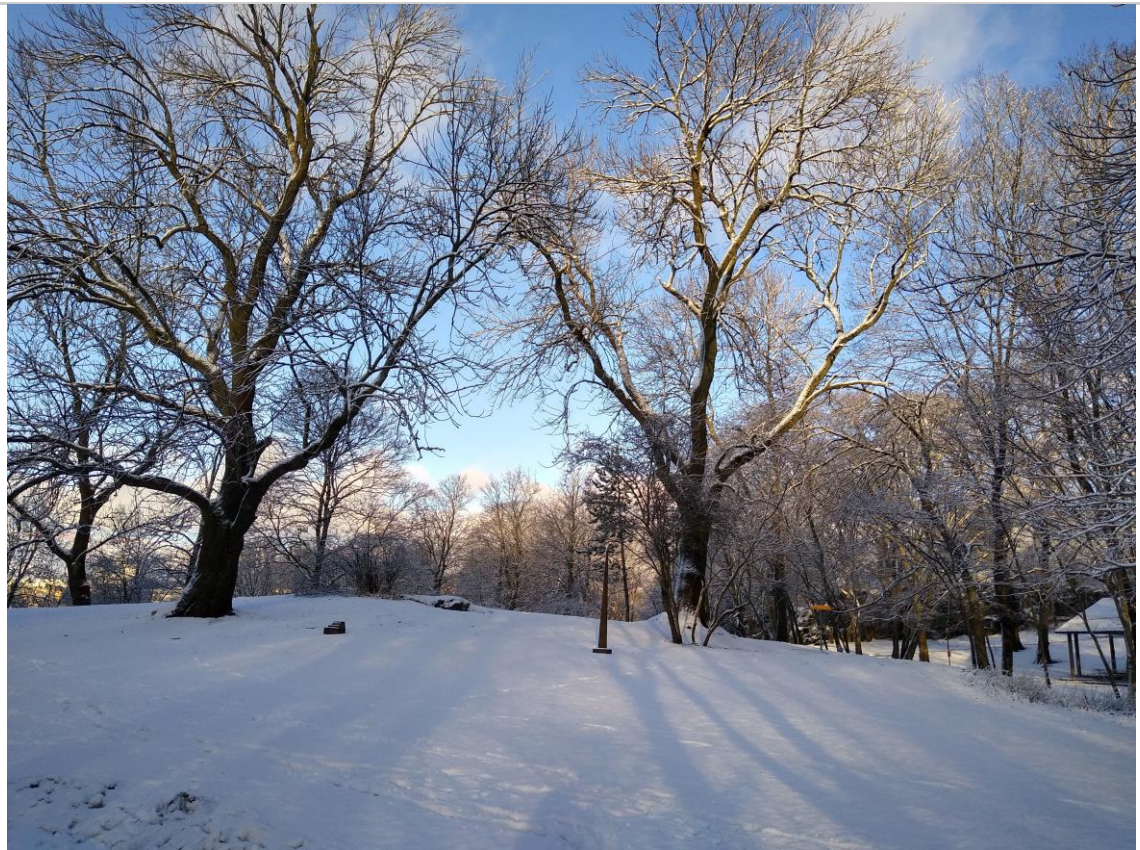

Dear EASTEM project members and friends,

Hope this finds you well in the new year. With the EASTEM project, we have now entered our final year and at Uppsala University we are very excited to finalise and showcase all the great things happening in the project.

The purpose of this internal newsletter is to keep all of us updated on what other groups in the project are doing and inform colleagues about current events at our universities.

Has your university recently conducted or plans to conduct an activity that is relevant to the EASTEM project? You can email Miriam Tardell (miriam.tardell@uadm.uu.se) with any updates you wish to share with everyone.

Recent project activities

WP 2 meeting 15 January 2021

WP 2 team members discussed different ways to collect and analyse data from ToT courses in SCL and implementing SCL with students, and how to write papers to share such data. You can find meeting presentation, group notes etc here in the Google Drive: <https://drive.google.com/drive/folders/1pZ38ONN1eF-xSyFgYo9B0DznAWPpfuDi?usp=sharing>

Upcoming project meetings and activities

15 March/15 April 2021: Deadline for staff reporting project year 2 (draft/signed documents).

Feb/March 2021: WP 3 and WP 4 meetings (TBC).

April 2021: Virtual General Meeting

Upcoming conferences of interest for EASTEM

These conferences provide opportunities for us to share our experiences and lessons learnt in EASTEM. Please feel free to contact EASTEM colleagues to co-author papers or ask for their advice on submitting a paper.

ASEE/IEEE Frontiers in Education 13-16 Oct 2021 (Lincoln, NE, USA)

Deadline for abstracts: 25 Jan 2021

<http://fie-conference.org/>

Fifth APSCE International Conference on Computational Thinking and STEM Education 2-4. June 2021 (Virtual)

Deadline for papers (Teacher Forum) 15 Feb 2021

<https://cte-stem2021.nie.edu.sg/teach.html>

University-Industry Interaction Conference 14-16 June 2021 (Virtual)

Deadline for abstracts: 22 Feb 2021

<https://uiin.org/conference/>

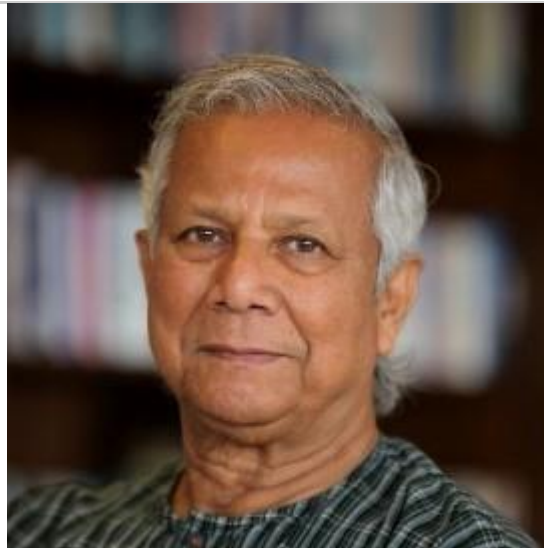

The 9th PSU Education Conference 6-7 May 2021 (PSU, Hat Yai, Thailand, virtual)

Deadline for abstracts: 28 Feb 2021

<https://www.psuedconference.org/>

You can stay up to date with interesting upcoming conferences and the deadlines to submit abstracts/papers by regularly checking in with [this list](#).

Please do not hesitate to add to this list any upcoming conferences at your institution or other conferences that could be relevant for EASTEM. You can also email our Uppsala University colleague Marta Cocos (marta.cocos@uadm.uu.se.)

Other activities

EACEA Online Conference with Professor Muhammad Yunus 25 January at 11.00-12.30 CET

Our funding agency, the EACEA (part of EU Commission), organises a discussion on the role of higher education institutions in capacity-building with a key note speech by Nobel Peace Prize Laureate Professor Muhammad Yunus. You are cordially invited as EASTEM partners to participate in this meeting, which is part of the CBHE Grant holder Conference 2021.

Meeting link: <https://www.beyond-events.eu/index.php?eventid=69&roomid=180>

Stay tuned for more information and keep up the great work everyone.

Best regards,

Miriam Tardell
Uppsala University
EASTEM Project Coordinator

You receive this newsletter because you have previously been involved in EASTEM project activities. If you would like to unsubscribe or add a colleague (or someone else who should know about EASTEM) to the sending list, please email: miriam.tardell@uadm.uu.se
