

APPLICATION FOR TRAVEL/ACCOMODATION ASSISTANCE TO ATTEND SPAN WORKSHOP

The Science for Prevention Academic Network (SPAN) has been awarded a grant by the [European Commission Lifelong Learning programme \(LLP\)](#) to support the establishment of a network of prevention scientists and educators across Europe. The project aims to improve the integration of prevention science in the higher education sector and to improve staff and student skill mobility across Europe; develop and share best practice in prevention science education training and workforce and; support the development of innovative ICT based content for prevention science.

SPAN will organise a pre-conference workshop “Conducting systematic review” at the upcoming SPAN final dissemination event “Prevention Science in Europe” conference in Brussels (Belgium), March 2nd 2016 (the workshop will take place on Tuesday, March 1st 2016 – full day):

As part of the SPAN’s aim to establish stronger links to professional networks, we will be offering bursaries of **up to € 500** to early career delegates¹ to assist in covering travel and accommodation costs for the entire duration of the SPAN workshop and conference. Bursaries will be available through the SPAN project. Workshop participants are encouraged to attend the SPAN conference following the workshop. There is no fee to attend the SPAN conference (free admission for registered participants).

If you would like to apply for a bursary please complete the information below and return it to: Matej Košir, Project Manager, SPAN, Oxford Brookes University: mkosir@brookes.ac.uk.

Please note that as this is an EC funded project with specific eligible countries in the Lifelong Learning Programme, we can only accept applications from the following countries:

Austria	Finland	Latvia	Portugal
Belgium	France	Liechtenstein	Romania
Bulgaria	Germany	Lithuania	Slovakia
Croatia	Greece	Luxembourg	Slovenia
Cyprus	Hungary	Malta	Spain
Czech Republic	Iceland	Netherlands	Sweden
Denmark	Ireland	Norway	Turkey
Estonia	Italy	Poland	United Kingdom

The workshop will be limited to up to 20 participants (first come first serve as long as eligibility criteria have been met).

Check the SPAN conference web page for **registration** and more information about the SPAN event in Brussels: https://eu-ems.com/summary.asp?event_id=1285&page_id=3638.

¹“Early career” include young preventionists (no more than 8 years since entering the prevention field through first job or commencing doctoral studies) as well as current Masters and Doctoral students in a prevention-related discipline. This is not limited to researchers but early-career practitioners and policy-makers are also encouraged to apply, especially if they are working on a paper for publication (workshop 3)”
