counseling & Employability skills at national and EU level.

SUCCESS is innovative as it attempts to introduce Positive Psychology (well being, resilience, character strengths, positive emotions) and basic Employability Skills (communication, creativity, critical thinking, motivation, teamwork) to adolescents. Skills and knowledge will be acquired through active paradigms of learning such as, cooperative learning, real case studies, role playing, mind mapping, problem solving activities.

AIMS & GOALS

The main goal of SUCCESS is to educate school counselors in all participating countries to transfer new knowledge and skills to school settings at a national and an EU level. It aims at creating an innovative training package for school counselors (a manual and hands-on activities, tools and
