European Master in Social Work

Lifelong Learning Programme

What is the European Master in Social Work?

The European Master in Social Work is a 2 years study programme in 6 countries in Europe to graduate you as a Master in Social Work.

In this study programme courses are being offered from a European perspective on social inclusion and combating poverty. There are modules offered on various welfare systems and different approaches of Social Work in different parts of Europe.

When?

The Master Course will start every year in Groningen, The Netherlands.

The Master is accredited in the Netherlands since May 2012.

Is the European Master in Social Work interesting for you?

It is specially designed for those who want to improve skills in various fields, such as:

- Intercultural Competencies
- Community Development
- Children and Youth at Risk
- Ageing in Europe
- Labour and Social Inclusion
- Social Rehabilitation
- Social Policy in Europe

In our curriculum you can find a lot of interesting modules that combine studying, social work practice and intercultural experience in different countries.

Tuition fee: Year 1: € 4.000
Year 2: € 3.000

Scholarships will be available Conditions:
see www.europeanmaster-socialwork.eu

How is the study programme organized?

Every semester starts with a meeting week introducing the study programme in one of the cities involved in the project.

In this week you will meet your study partners from the other countries and your teachers.

During the meeting week you will create agreements with each other on the drafting of assignments on-line during the next 12 weeks. After 3 months there is a new meeting planned in one of the participating Universities.

**In two years you will visit
4 – 6 universities and university
colleges around whole Europe!**
